## ***“WE SEE RADIO PROVIDING IMMEDIATE RESULTS”***

*Mary Carrero - Owner of Track Town Pizza*

Track Town Pizza is always striving to be on the cutting edge. Radio is current: it's today's information, news, weather and music. Radio is very flexible and responsive to our needs.

Using radio consistently over six years has given us a strong return on our investment.

We recommend using radio First when planning your marketing strategies. Track Town Pizza has witnessed immediate results when using radio, and if you're in business, that's a good thing!
